

# INTERNATIONAL LOG BUILDERS' ASSOCIATION

## More of the good ol' days – 2nd Annual Fall Rendez-vous

September 18-21, 2003, at Cherryville, BC

### *Registration Package*

The Rendez-Vous will be held at the Gold Panner Campground in Cherryville, BC, which is just 37 miles East of Vernon on Hwy #6. The closest airport is in Kelowna, BC, just over an hours drive from this destination point. Come and enjoy the best kept secret in the Monashee mountains, it's a great facility complete with historic Cherry Creek gold mine tours! The campground offers creek fishing, camping, hiking, historical site seeing, restaurant on site, showers/toilets, power hook-ups and laundry facilities are available.

Join us on Thursday afternoon, September 18th, through to Sunday, September 21st. We'll start the weekend off right on Thursday evening with a campfire get together. On Friday morning you'll begin the day with campfire coffee followed by a full weekend of great food, workshops and evening entertainment supplied by your association! Our Log Builders' Competition will be held on Saturday afternoon at 1pm, great prizes again this year (Note: the competition is only open to those registered for the Rendez-vous weekend.)

Bring your family, your co-workers, your tent/trailer/camper and be prepared to enjoy some warm fellowship and great networking at this campout weekend Rendez-Vous held in the wilds of British Columbia.

---

## EVENTS

---

### **Log Builder Competition**

We will offer great prizes and a guaranteed fun time at this competition. Register early upon your arrival and pick up a copy of the rules and regulations which are now in place for this event.

### **Benefit Auction**

Join us to raise money for a good cause and have some great laughs in the process. We welcome all donations for the event: from Grandma's homemade socks to the latest in jigs and tools.

### **Roof Jig Workshop**

*with Mark Fritch*

Improve your building techniques with the use of jigs designed by those who use them. At this two day workshop you will create a braced kingpost truss and log rafters with increased efficiency. A great opportunity to actually use the jigs and understand how they work.

### **Hewn Log Construction & Dovetail Corners**

*with Kurt Overholt & John Boys*

A hands-on-workshop where attendees will build a hewn chinker style building with dovetail corner notches. A chance to have hands on experience creating a dovetail structure with speed and accuracy.

### **Using a Gin Pole**

Tales of the gin pole era will be resurrected as we construct and use a Gin Pole for construction purposes during this weekend event. Unlike the old days, this Gin Pole will be engineered to provide a safe experience for all.

### **Hewing logs the old way**

*with Vic Janzen*

Come and learn the techniques from those who have the experience working with hand tools to create hewn logs.

### **Picnic table building for the novice**

This is a beginner course for those who love the trade, want to learn more and experience some hands-on experience creating with logs. Participants will construct a log picnic table.

### **Maintaining your chainsaw**

*with Dave Warren*

For many in this industry it's the lifeline to your daily routine. A saw that runs well assists you attain high quality workmanship. Come learn some tips from the experts whose daily profession is maintaining these very saws.

### **Fun with Wood**

*with Dalibor Houdek*

You don't need fancy tools or expensive equipment to enjoy working with wood. Come and see this demonstration of using inexpensive tools to create some incredible carvings.

### **Tour the Interior Logging Association**

**Educational Van** *which will be onsite*

### **Installing Roof Panels**

*with Dave Stevenson*

### **Insurance information for companies**

*with Matthew Leck*

### **Jigs, not a waltz.... share your inventions**

Join the Jig thinkers in our industry, who create better ways to get the job done! There's so much to learn and opportunities to observe these great inventions are rare – bring your jigs to share!

\*Scheduled events subject to change.\*
