

Log Building NEWS

Reprint Edition

The International Log Builders Association is pleased to provide you with this free reprint from our publication, Land to Lockup. The ILBA is a not-forprofit, educational association dedicated to furthering the craft of log home construction. It publishes books, articles, Log Building News, and the Log Building Standards (the "building code" for log homes), and conducts annual conferences and workshops for log home customers and log home builders. Contact information for the ILBA is at the end of this article.
